

BRAY HEAD LOOPED TRAIL

INCLUDING CLIFF WALK

- Rises to 241m (791ft)
- Extremely Challenging and Rough Terrain
- Take adequate clothing, food & fluids
- Dogs should always be kept on a lead
- Proper walking shoes are required

Walkers, it is perfectly safe to walk from Bray along the Cliff Walk as far as the Windgates steps where you can take the alternative route from there which is quite challenging, or you can return on the cliff walk back to Bray. The Greystones side is extremely dangerous and is closed in certain spots.

If you encounter any emergency difficulties
contact the emergency services on **999/112**

THINK SAFETY ALWAYS
